646m² mini factory to let in Westmead

These two interleaving mini factories are located within a secure industrial park in Westmead. The park ensures 24-hour security, providing a safe environment for business operations. Additionally, the park offers access for superlinks, facilitating convenient transportation of goods.

The units themselves have a height of 5m, allowing for sufficient vertical space for storage or other needs. Access to the units is provided through roller doors, making it easy to move goods in and out.

For power requirements, each unit is equipped with three-phase power of 100amps. This ensures an adequate electrical supply to support various equipment and operations.

There is an upstairs office component that comprises two well-sized offices. These offices provide dedicated workspaces
